INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Carlos Vallejo has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

chiriacu

Chiriacu, is a neighborhood in the south east of Quito, begins in the old Camal and ends in the middle part of the hill of Puengasí, next to the Chaguarquingo neighborhood. It comes from Shyri and Yacu, water of the Shyri, by an old waterfall-like slope that was in the sector.
