INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

wendy has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

infer

Use note: infer sometimes is confused with implies, but the distinction is useful. When we say that a speaker or punishment implies something, we want to say that it is transmitted or suggested without openly declared: when the mayor said that he did not rule out a tax increase of business, gave to understand (not infer) some taxes can be high
