

ENGLISH DICTIONARY

martin muñoz

INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

martin muñoz has contributed to the dictionary with 2 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

meuniere

good Meunière is a French word meaning molinera or woman of the Miller was thus called to women working the mills in France, which were used much for milling and processing of grains and other foods, is there where it comes from the name of a dish called fish to the Meunière, but actually I think that the correct name would be Poisson à the Meunièreque would mean Spanish fish Miller style ()because it is nothing more than a fish or fish fillet floured, dorado (or fried) and a sauce made with butter, lemon juice and chopped parsley. Something simple for a name so bombastic, but well the thing is, I hope that this humble definition serve them or at least closer to what you are looking for...

meuniere

means Miller the word is of francesi origin is that I am not mistaken
