

ENGLISH DICTIONARY

Marvic

INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Marvic has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

dummies

Sketch is done prior to printing or repetition of the same. It is mainly used by communicologists, marketers, and designers to see previously how going to be a prototype, design, mannequin, model, etc. This genralmente is used as shown so that the client can approve or modify the model until it is satisfied. It can also be used to sell an idea, and makes a graphic or tangible representation of the offer, product or idea.
