## INTRODUCTION

[www.wordmeaning.org](http://www.wordmeaning.org) is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

José Gros-Aymerich has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

**remanufactured**

According to Wikipedia in English, a product: "Re-manufactured " is one who suffers wear or deterioration with use, and which parts or components worn by use is changed by other new parts. The basic element would be expected that the product: " re-manufactured " have the same duration and quality than the original new product standards. They would be defined in CPG IV of the EPA, components/parts for vehicles.
