

## SPANISH DICTIONARY

Esteban García del Valle Gómez

## INTRODUCTION

[www.wordmeaning.org](http://www.wordmeaning.org) is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Esteban García del Valle Gómez has contributed to the dictionary with 12 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

### **a llorar al valle**

It's a phrase that means, when you don't care if with your comment you've hurt a person with your comment or what they say or think.

### **abdolóm**

This word does not exist and the closest thing is the word Absolom. Absolom was a Belgian vocal trance group composed by musicians Christophe Chantzis and Jimmy Goldschmitz, and vocalist Pascale Feront. The group disbanded in 2000. Christophe Chantzis currently cooperates with Ian Van Dahl, a project of the same musical genre but with different style.

### **acesoria**

The word aceosio, is not in the Dictionary of the Royal Academy of the Spanish Language. The real word is advice.

### **bhc**

The term bhc is an acronym used in the world of medicine, which means "full hematic biometric measurement". This expression, also known as a blood count, is the one that indicates in the blood test reports the need for such tests to be carried out on the patient concerned, in order to be determined the state of his health as regards leukocytes , euroocytes, eosinophils, basofilos, netrophiles, erythrocytes, lymphocytes and platelets, counting the percentage per cubic centimeter of blood. There are two types of processes in the bhc, which are the red formula and the white series. A blood smear is performed at the first time and the second is counted of the leukocytes in the blood.

### **característica del cambio de estado denomido de sublimacion**

Sublimation is the process consisting of changing state from solid to gaseous state without going through the liquid state. The reverse process, that is, the direct passage from the gaseous state to the solid state, is called inverse sublimation. The classic examples of sublimation are established by dry ice, which consists of frozen carbon dioxide; and iodine, with its purple crystals.

### **domadores**

Plural of tamer . Person who tames or tames animals. Another meaning is : Circus artist who uses tamed beasts in his numbers.

### **elegi**

Choose. Verbal form of the verb choose , transitive verb, which means , prefer a person, animal or thing among several. Designate a person by vote for a position or award.

### **maradonear**

Speak in choppy and babbling form.

### **negar el pan y la sal**

Expression that means an absolute contempt for one other person. The origin is from ancient Rome, for it was sacred custom to offer hospitality to those who visited their home, offering them a piece of bread and a pinch of salt. Therefore, there could be no greater sign of contempt among the Romans than not offering another hospitality, that is to say "deny him bread and salt".

**porcelanizar**

Transitive active verb . It is a word, which has become disused and is defined as converting, making, transforming, manufacturing or also giving the figure or appearance of porcelain, also applied to objects or elements that are made of the same material
