

SPANISH DICTIONARY

Robert Wiliam Bayard

INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Robert Wiliam Bayard has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

psi

the letter Psi is often used as a symbol of psychology. As any letter in itself doesn't mean anything. The meaning emerges from the letter Psi with the Greek word association do Psiqué do, which originally had the meaning of do Butterfly do.???? Later went on to use the term with the senses of does puff of Breeze does, does breath does, do mood do and finally do soul do.????????Which is also associated to the goddess do psyche does or can psyche, depicted as a teenage girl with butterfly wings????
