

SPANISH DICTIONARY

I.S.A. FLOU

INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

I.S.A. FLOU has contributed to the dictionary with 5 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

Working Group

www.wordmeaning.org

del campo

coming from agriculture or related. Refers to artisanal food and/or equipment, which has agricultural origin, made mostly, by peasants or from the region where the reference is made

desvinculadas

feminine name . It indicates that certain situations, activities, materials or conversations are not related to each other, that is, they have no relation within the context they are being presented. Likewise, in the legal context, they refer to people q previously were suspects, but after proper investigation, they are acquitted of any guilt or suspicion.

gallina flaca

gallinaceous bird, female rooster. when it lacks meat in every body (body mass), either due to illness or lack of adequate or complete food. Sometimes the most pronounced bones of the animal are visible

higieya

goddess of healing and healing, in ancient Greece. Telésforo's sister

muy caro

It still refers to value that exceeds our payment capacities or economic resources at the time. It can also refer when some personal situation over passes our response capabilities , that is, we are affected in a great way that our mistake is considered as something that leaves very negative consequences
