finta

La finta is one of the foundations more we use during a party and often without noticing. We could define a finta as "One movement technical any that we stopped to perform then another distinctoo the same started ". It is to start to do something, see as rival reacts, and from there work as a result of this reaction. In summary a finta is a hoax, or a threat that it is used to poke fun at or exceed the opposite defense. I hope you learn...: -)
