As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. **arriar**

It doesn't mean moving cattle as that's arrEdor and not Arrlador which means low

**carácter**

Character is more related to the values of the person. Example character can be strengthened through religion, parent teaching, education, life and their experiences. Many people confuse character with people's personality or genius or humor. . . they are absolutely distant concepts because if the character is strengthened or diminished, the personality genius or humor of the person is controlled, it is not strengthened, it is not consolidated, it is not undermined. . .

**chantage**

Blackmail with 'J' and no chantage is said to the act of getting something from a person, people or institutions for something you need to get or prevent it from being disclosed. . .
