

SPANISH DICTIONARY

yocono

INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

yocono has contributed to the dictionary with 41 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

Working Group

www.wordmeaning.org

aznarismo

In Spain, evidence of a strong relationship or affinity to the ideas and political applications of former Prime Minister José María Aznar.

boomer

A person who belongs to a generation from the 1940s to the 1960s or who without belonging to this generation already shows aversion to fashions of current generations.

borderline

Person identified with border-limit personality disorder.

bro

Appeal with which someone is called amicably and informally. It is the apocope of brother, coming from English and which in its original meaning means brother.

buda

Figure, statue or statuette depicting a Buddha of Buddhism.

cagódromo

Colloquially, toilet.

camgirl

Erotic model that strips naked in front of a webcam and broadcasts live. The term comes from the English "cam", derived from webcam, and from "girl", which means girl.

clearnet

Surface Internet accessible to a public internet browser, contrary to the deep web or its similar darknet.

complemento

In computer jargon, browser add-ons or extensions are programs that add functions to the web browser that is used to access internet pages.

crack

Admirable person and worthy of respect, especially for having a lot of charisma or attracting attention for skills that others do not have.

cuenta

In Computing, a data record that identifies a user in an Internet service.

darknet

A conventional part of the deep web comprising illicit content that cannot normally be viewed on the surface internet because of its reprehensible nature.

doo-wop

Musical genre derived from others such as jazz, R B and gospel that achieved its maximum popularity between the years 1956 and 1965 approximately and that is highlighted for incorporating musical elements such as vocal harmony, sometimes a cappella, and a progression of four chords, sometimes two, which is complemented by the melody they accompany.

espamear

Spam .

fandub

Dubbing of an audiovisual medium performed by an amateur, especially when the work that is bent has not been professionally folded. See dubbing .

gúgol-plex

Ten raised to a gúgol . See gúgol . As a curiosity, the scientist Carl Sagan used this term in the documentary "Cosmos: A Personal Journey" to show a number even greater than the gugol, but infinitely smaller than the infinite number.

hate

Anglicism used, mainly on the internet, to express a critique of someone or something that inspires hatred or rejection. See hater .

like

Button that have some social networks or internet pages that you click when you want to prove that the content or comment has liked or interested . It's shaped like a fist lifting your thumb.
