

SPANISH DICTIONARY

Rudy Ruiz Jr.

INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Rudy Ruiz Jr. has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

gorupo

My Mom and Dad called the small beetles that often infested wheat flour and cornmeal "gorupos". The eggs for these insects are already in the bags we buy at the store. Our government allows a certain number of eggs, insect parts, rat hairs and feces in all types of food we consume every day. It's only a matter of time before the eggs to hatch and the larvae to mature.
