

SPANISH DICTIONARY

Herminio Álvarez Regueras

INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Herminio Álvarez Regueras has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

picarro

Instrument formed by a somewhat hunched iron bar and with one eye in the center to tie a wooden handle; the two resulting arms transform their quadrangular section into a conical tip (one of them, in some models, into a blade with a thick edge similar to that of an axe). It is used to dig in hard land. . .
