

SPANISH DICTIONARY

Anónimo

INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Anónimo has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

propositiva

The word "propositional" refers to an attitude or approach that seeks to generate constructive proposals or solutions to address problems or challenges. A person or a purposeful initiative is characterized by offering concrete ideas, suggestions or plans rather than simply pointing out difficulties or criticizing. The proactive attitude is valuable because it encourages the search for alternatives and contributes to the generation of positive changes.
