## INTRODUCTION

[www.wordmeaning.org](http://www.wordmeaning.org) is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Jose Velasquez has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

**parapara**

In eastern Venezuela, parapara is the seed of the parapara tree (*Sapindus saponaria*). Its association with the shrapnel or marbles is due to the fact that, due to the circular shape of the seed, children used it to play, replacing the shrapnel. Rubbing it against the concrete floor made it very hot, so a colloquial saying from some regions of the East is "to jump more than stop in cement"
