

SPANISH DICTIONARY

Ricardo SUAREZ

INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Ricardo SUAREZ has contributed to the dictionary with 4 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

Working Group

www.wordmeaning.org

amorfin

I have the impression that this term comes from the word " amorphous ". Amorfin seems a way loving or a derogatory way of saying something or someone who is amorphous.

esparsir, esparsir

In my opinion this term does not exist such as is written, it seems to me that the correct term is " sprinkle " It is easy to find in any Spanish dictionary.

ñisca

Hello, I agree with the meaning that is attributed to the nizca Word, but not only in the North of peru, in lima is used quite (or used in my youth 41 years;. What I would like to know is the origin of this term. Thanks for your help.

pacaritambo

I seem to remember from my school time, that Pacaritambo is a place in Peru. It is said that this place (or its environs) they came out the brothers Ayar, one of whom, Ayar Manco (or Manco Capac) he is credited with the foundation of Cusco. Also within the Andean mythology is the version that says that you Manco Capac came out in a wave of Lake Titicaca.encontre the following link which contains much more information on this:

<http://raices-cultura.blogspot.fr/2009/02/los-hermanos-ayar-y-el-mito-de.html>Espero that will be useful, to my you found very interesting, it had forgotten and now remembered everything (or almost everything).
