

SPANISH DICTIONARY

camila

INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

camila has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

que son los signos cartograficos y para que sirven

They are those signals used in the maps that indicate something, and it gets its meaning in the legend. Depending on the map you'll find various types of symbols, but the most common is the rose of the winds, or pointed to the North, South, East and West. It is essential to move. If it is a map of a city, a plane, can contain icons that indicate bus stops, metro, places of interest, hotels, etc.. In a road map indicated the type of road, if the road is secondary, is a highway... Maps often are concentric and closed curves called level curves, indicating the height of the terrain at each point (it is reduced to doing 10 m 10 m, or 25 in 15, 100 in 100, according to the 41 scale;
