**sornero**

What bad and wrong interpretation of this word. Beats me who generated this meaning, has less than 25 years and failed to understand the context of elders who heard it...SORNERO, although it does not part of words accepted by the RAE, can be taken as attitudes go unnoticed and be relaxed at the same time, without any worries or stress, mainly when it is something not lawful. As an example, the word SORNERO is often used when someone is in a public place without attracting attention consuming Cannabis or other illicit substances.
