

# SPANISH DICTIONARY

Jimeno Álvarez

## INTRODUCTION

[www.wordmeaning.org](http://www.wordmeaning.org) is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Jimeno Álvarez has contributed to the dictionary with 6245 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

His power was so great that anyone who tried to look at it was petrified, so his image was in all kinds of places, from temples to wine kraters, to promote their protection. The Gorgon wore a belt of serpents, interwoven as a buckle and confronted each other. Later myths stated that there were three gorgons and Medusa, Stheno and Euryale, and had the only mortal of them, Medusa, poisonous snakes instead of hair as punishment by the goddess Athena. This image became particularly famous, while the Gorgon appears in written older records of the religious beliefs of the ancient Greece, such as in the works of Homero. La gorgona occupied the principal place of the pediment of a temple in Corfu. It is the oldest stone motion of Greece, being dated c. 600 BC
