

# SPANISH DICTIONARY

Roberto Kähs

## INTRODUCTION

[www.wordmeaning.org](http://www.wordmeaning.org) is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Roberto Kähs has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

## **explosar**

explosar is incorrectly written and it should be written as "Exploit" being its meaning:<br>"Explosar " It is an incorrect form, used by many people in Chile, in replacement of " " exploit. Its defenders say that " exploit " You should only use when you get the benefit of some ( exploit a deposit, for example ). False, both " 34 explosion; as " 34 exploitation; are actions and effect of " " exploit: " a mine ( explosive ) explodes and a mine ( 41 gold; " is exploited. Perhaps " explosar " constitutes a gallicism, since in French there are separate verbs " exploser " and " 34 exploiter; for such purposes.
