INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Remigio Cedeño has contributed to the dictionary with 5 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

dimanas

It seems to me that it is the conjugation, in the second person, of dismantation, whose meaning has to do with emanating, being born, originating. . . .

dream team

In literal terms Dream Team means dream team, which in the sports field refers to an ideal team, difficult to assemble for various reasons. In this context the Event, project, aspiration or thing that is longed for or pursued is understood as a dream despite being very unlikely to be carried out and thought of with pleasure. For this reason it was called the first American basketball team composed of some of the main figures of the NBA, who participated in the Olympics, as a Dream Team or dream team.

estar en la ruina

Being in ruins means being in a terrible economic situation; not possessing money to meet basic needs and without immediate chance of obtaining it. . . .

plotear

plot is incorrectly written, and should be written as "Plot" being its meaning:
Before the massive use of the plotter for printing of maps, in the field of geography is understood as plotting the representation (drawing) on a map or flat elements whose coordinates are known. With the arrival of the plotter is gave a twist to the meaning of the word and is now defined as such to the impressions of large size... for this last case, you should write the word in the following manner: plot, to make it consistent with its root...
