

# SPANISH DICTIONARY

Nora Giménez

## INTRODUCTION

[www.wordmeaning.org](http://www.wordmeaning.org) is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Nora Giménez has contributed to the dictionary with 4 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

## **contemplo**

The verb to look, look; but it is not just the physical act of looking, as a material fact, it has a more poetic sense, it includes something more spiritual. Look, is to look at something or someone but with arrobamiento, infatuation, reverie.

## **que es una meta**

In the Spanish language, both the word " meta " goal; objective as " fin " both have same meaning, " fin " end; In administration, although both terms mean " fin " end " have different intensity. The goals are those purposes that we propose for the sake of achieving ( last weekend, unattainable ). Technically, in administration, " meta " I target It is an end of character, mediate ( long-term, unquantifiable ( non-measurable in pesos; and " fin " goal; It is an end of character general, immediate ( ) quantifiable ( short-term measurable at pesos;

## **reafirma**

the pre-fijo " re " means " return to " gives greater intensity to the word; and the term " reafirmar " it is verb affirm, assert, ensure, nod. It is a way of saying more intensely than if something.

## **viento impetuoso giratorio, huracán**
