

SPANISH DICTIONARY

Carlos Pineda

INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Carlos Pineda has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

referido

The verb see is where the referred word which is correct is derived. The referenced Word is nothing more than an anglosajismo derived from " 34 referenced; that many have translated as referenced incorrectly. The SAR does not include indeed the word reference, not the word reference, referral and reference all associated or related to the verb referring. There are those who justify a difference associate referred only applies to when a 40 person; say so) speaking of or recommended to another, eg. " The referral of " which is not true because it is not the sole and exclusive use of the word; and referenced associate it with reference that is nothing more than the action or effect of referring (citing the dictionary of the Spanish language) and here we fall back to the verb referring whose I participate is nothing more and nothing less than concerned, without find nowhere else referenced.
