

SPANISH DICTIONARY

ROLANDO ISAAC REYES ROCHA

INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

ROLANDO ISAAC REYES ROCHA has contributed to the dictionary with 16 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

Working Group

www.wordmeaning.org

mistica castrense

Military mystique. -It is a philosophy of life of the military. to induce him to give everything for their country. Know that they are those who have duty to sacrifice to defend not only its territory, but all that means do it consciously. His delivery as an example for the generations that follow. They do so only because someone has to do it, and in society, men of arms are those who struggle for intrinsic values, God, homeland and family, to defend their dignity. -The inescapable duty to deep feelings. It's strange duality for the common man, and a soldier's daily bread. By the military mystique of loves the flag as to God on the altar, and those who delivered his life defending, perish in the Altar of the homeland.
