

SPANISH DICTIONARY

J. Adrian Perales

INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

J. Adrian Perales has contributed to the dictionary with 3 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

hualcas

The word "Hallaca" comes of the guarani and derived of the word "representative" or "ayuar" that means mix or stir, of these words is presumed that "ayuaca" is a thing mixed, that by deformation linguistic step to call is "ayaca". Another version claims that the word comes from an Aboriginal language in the West of the country, which means "wrapping" or "bojote".
