

SPANISH DICTIONARY

Santiago B. Salazar Córdova

INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Santiago B. Salazar Córdova has contributed to the dictionary with 35 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

Working Group

www.wordmeaning.org

anticarismática

It refers to that person, mainly of the female sex who is against anyone who possesses charisma or that gift that consists of being loved and having credibility of most people

autoproducción

Self-production is intimately linked to autarky, that is, that vision, for example in the countryside that the rural inhabitant has to procure his food, his clothes and his footwear and even for his tastes such as tobacco, etc. , is something that allows freedom, in times of pandemic self-sustaining peasants managed to alleviate all this with very low levels of contagion for being far from each other

autorrecargable

Say of that instrument that can be recharged by itself, for example through solar energy Some synonyms, words or similar expressions can be energy autonomous by speaking

círculo rojo

It is the group of countries that work together with China to strengthen their imperial vision but it can also be a kind of circle that is made around the eye.

curial

Belonging to the curia, especially to the Roman curia, therefore a court where dealt with contentious business, a group of lawyers, notaries, attorneys and employees in the administration of Justice; the Roman curia is that congregations and tribunals that exist in the Court of the Roman Pontiff to the Government of the Catholic Church.

desconcientización

If raising awareness is making someone aware of a case or a problem, deconscientization would be the opposite, making them stop being aware, for example if there is a pandemic problem, without putting ourselves on the side of anti-vaccine groups or the defenders of pharmaceutical transnationals, it would be necessary to generate awareness that there may be infections if we do not have the minimum security measures beyond that some people want to do gargle with baking soda or salt, etc. , knowing that the virus does not support alkaline environments or that the alcohol in the hands could for example break the small layer of fat of the virus and make it a little easier to be controlled by the defenses or immune elements of the human being

exigir velocidad

There are bosses who say I want my job for yesterday! , that is demand speed, instead precision and quality should be required even if it takes a little longer, the pandemic has taught us to be patient and to stress less and live less depending on the time

globalista

The term or the word globalist refers to the person who considers that economically we are part of a globalized world, the difference with those who raise globalization is that not only economic but also social issues enter in the latter case and with planetarization is that the cultural also enters

grandísimo

great is incorrectly written, and should be written as "Very large" being its meaning:
It would be practically an adjective Word to point out that something that is a masculine noun is truly great, part of exaggerations in the speech

that we have latinos who at the same time enrich our language and according to purists impairs it because well you could say supremely large, big, super hyper large or very large

greyes

flocks is incorrectly written and it should be written as "flocks?" being its meaning:
Here yes I check, it will be the plural of grey which is the Congregation of the people of faith who is assimilated to the Lambs and ewes with their good Shepherd that the Bible and Christianity?, actually here yes I have doubt

guardianes

Are all those people who take care of something, guardians of the faith, guardians of security there is also called guards, Park Rangers, Rangers, or guardians of the forest

hiperconsumismo

Consumerism itself is a vision where people believe they are happy consuming and spending sometimes more than they need but hyper-consumerism is already an exaggeration or aberration, an extreme of consumerism where you no longer even buy for the pleasure of having something sometimes not necessary but you configure spending for the sake of spending, obviously this happens in people who have resources or who go into debt, for example they no longer make their shoes last by sending them to fix where a shoemaker "patch" , they want to be at the last cry of fashion, there are people who by the excessive consumption of food comes to develop morbid obesity, that does a lot of damage to nature that can not sustain so much population and come there birth control measures whether natural or obtained in the laboratory like viruses, etc.

infectólogo
