

# SPANISH DICTIONARY

Celeste Jiménez

## INTRODUCTION

[www.wordmeaning.org](http://www.wordmeaning.org) is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Celeste Jiménez has contributed to the dictionary with 5 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

Working Group

[www.wordmeaning.org](http://www.wordmeaning.org)

**autogestion**

Direct action of each of them in cooperation with others, in carrying out certain activities pertaining to those involved. A self-managed praxis can be established in all human manifestations: the production and distribution; scale macro and micro-social level; in all types of organizations and in all kinds of programmes or sectors of intervention ( health, education, etc. )

**aval**

Guarantee through which a natural or legal person liable for the obligations assumed by the backed up, whether they referred to the payment of a loan, to the issuing of bonds or other obligations, assuming them personally in the case that this does not satisfy them. Endorsement or warranty assumed various forms depending on the type of operations, but it is a regular practice in finance.

**deflagracion**

An explosion is a sudden combustion with flame to low velocity, no explosion. It is usually associated, wrongly, with explosions, often used as a synonym.

**deflagración**

Inflation is continuing and widespread growth of prices of goods and services and factors of production in an economy over time. Other definitions explain the persistent movement to the rise in the general price level or decrease in the purchasing power of money.

**dolo**

Fraud is one of the vices of voluntary acts, together with the error, force or intimidation, simulation and fraud. Definition: " malicious towards the implementation of an act is any assertion of what is false or disguise of the true, any artifice, cunning or machination which is used for that purpose " ( conf. Article 931 Argentine Civil Code ) 2Requisitos:son four requirements that fraud can determine the cancellation of the event: has been severe: that is suitable to mislead a person that puts ordinary care in handling their affairs. If it were so rude to a minimum precaution it had been exposed, the mens rea is not serious.Determinant of the action of the subject to whom vitiates the will have been causes: means such deception without which the Act does not had been conducted.That has caused significant damage: that is of economic significance for the person who suffers.There have been no reciprocal-malice: justice cannot be to discuss the traps that employ the unscrupulous.
